

MORNING APPEAL

TUESDAY.....MAY 3

PECULIAR PERVERSENESS.

Our present District Attorney might be likened to the imp of perversity.

Some years ago he was a very active anti-lottery man. He labored day and night, spent money and printed pamphlets to show the evils of lottery dealing. He did all this of his own free will. Although it was none of his business he made it so, and fought everything in the shape of lottery with great zeal and pertinacity.

Now that he is District Attorney and sworn to enforce the law against lotteries, he never lifts a finger, though he knows that there are six lottery drawings a day in this city.

In fact the rule of his conduct seems to be to fight lotteries when it is not his business to do so, and to let them alone when he is being paid a salary by the people and is under oath to enforce the law.

Some time ago he published a letter from Charles Bicknell in which Bicknell admitted to him over his signature that he had assisted a criminal to escape from justice. This made him clearly an accessory after the fact, and subject, if convicted, to five years in the penitentiary.

Yet the District Attorney, with Bicknell's written acknowledgment of guilt in his possession, declines to proceed before the Grand Jury with an indictment.

The fact of the matter is, Summerfield dare not move in the direction of indicting Bicknell, even with those proofs in his possession.

The question arises, what are the people of Ormsby county getting in exchange for the money they are paying the District Attorney in the way of a monthly salary? Perhaps some of the taxpayers can answer.

THERE WILL BE LITTLE LEFT.

The Enterprise and Reno Gazette, aided by a few impracticables, both Republican and Democratic, have started in to read everybody out of the old parties who has anything to do with Silver Leagues. It is really too bad about that. We had an idea that everybody in Nevada could consistently join Silver Clubs without personal or political detriment. Things have come to a pretty pass if silver men must take the medicine prepared for them by gold bugs without so much as manifesting the slightest displeasure in gulping down the nauseating dose. Well, there are a good many people of both parties who feel that they have been swallowing it quite long enough. There are so many of this kind of people, in fact, that if all are read out by the journals named there will be nobody left in either party. It is clearly one of those cases wherein the tail attempts to wag the dog. The Enterprise and Gazette are in at the tail of the hunt and on a very cold trail at that. We do not expect to find many people in Nevada paying any attention to them. The venom which the Gazette in particular displays in personal attacks on gentlemen identified with the silver movement shows that that sheet is being hit in a very tender spot. It is rather remarkable that a gold bug press can be found in Nevada. — Sentinel.

Americans Should Blush.

The American team in the tug of war contest has been ruled out of the tournament for deliberately "throwing" a pull. All pools on the contest were declared off. What a thrill of shame must have gone through the vast audience, composed mostly of Americans, to see their own countrymen, in a contest on their own soil, enter into a job to cheat at the pool box and sell their patriotism for a little over \$100 apiece.

It makes an American blush at his own countrymen to see such dirty work as this entered into by men calling themselves Americans.

Hon. Leland Stanford is generally in San Francisco when any bill touching the interests of the Coast is voted on and in Washington whenever a grand jury is in session in California which is likely to investigate any of the boodle-jobbery which made him Senator. When not engaged in dodging votes or Grand Juries he is being interviewed on his likelihood of accepting a Presidential nomination.

It might be a good idea to read the Enterprise and Gazette out of the Silver party of Nevada.

The Anheuser, Busch Association of St. Louis have appointed H. J. Thyes of Reno, Nevada, their sole agent to handle their celebrated and world-renowned Budweiser bottled beer, for the counties of Washoe, Ormsby and Storey, Nevada, and Lassen, Siera, Plumas and Modoc counties, Cal. He will receive on or about April 1st next one carload and will sell the same to the trade and families at San Francisco prices. Send for price list and save freight from San Francisco to Reno. Address all orders to H. J. Thyes, P. O. Box 401, Reno, Nevada. Respectfully yours, THE ANHEUSER, BUSCH ASSOCIATION. m10,m
